

While we have not yet sold the property in Belmont Street, all classes will now be held in the former Birkby Baptist Church – the NEW Vajrapani Centre.

We still have some residents staying in the house temporarily, but we are still planning to sell the property as soon as possible.

Bodhisattva Vow Ceremony
with Gen Pagmo
27 - 29 April 2007
10.00am - 5.00pm

We all have a longing to feel loved, but try to fulfill this need through ordinary relationships. We all seek protection, but try to find it through changing external conditions. None of us have really found what we have been searching for. Buddha says it is only through developing a more meaningful connection with someone who will encourage us to grow spiritually that we can fulfill these heartfelt wishes.
